The Adirondack Trust Company Enhances Website with New Multilingual Feature

Saratoga Springs, New York...The Adirondack Trust Company announced today that it has enhanced its website with a new multilingual feature. The website is now available in four languages: English, Chinese, German, and Spanish.

Commenting on the new multilingual enhancement, Mr. Charles V. Wait, President noted: "We are excited to bring this new functionality to our website as we continue to reach out to individuals who are coming to our community from worldwide locations. With the GlobalFoundries Fab 8 project in Malta, NY and their international reach, we see this as an exciting time for our region and enables us to reach customers who currently may be abroad. Our website www.adirondacktrust.com offers users detailed information on all of our banking, insurance, and investment services now in four languages. We also have a translation service available so we can effectively communicate with customers in any language. We look forward to expanding our customer relationships and are in the process of further developing our multilingual services."

Founded in 1901 in Saratoga Springs, NY, The Adirondack Trust Company is an independent employee and locally owned and operated community bank offering a wide variety of business and personal services. The bank has over \$900 million in assets and eleven branches. The Adirondack Trust Company is rated by Bauer Financial as a 5-Star bank for the period ending June 2011. Adirondack Trust offers banking, trust, insurance, and investment services and originates real estate mortgages, both residential and commercial, and commercial business loans throughout its market area.
